Guangwai Lancaster Chinese Learner Corpus

CHINESE APPLIED CORPUS
LINGUISTICS SYMPOSIUM
Lancaster University, 29 April

Answers to both simple and complex questions

Rich meta-data
General discussion

1. Do you have experience with learning/teaching Chinese? What are the main challenges?
2. Can corpus linguistics address some of these challenges? How?
3. What areas of research should we focus on as a priority? Are there any ‘burning questions’ in the field?
